

Tammy Ollivier

Senior Notice Program Manager

Tammy Ollivier is a senior notice program manager for Epiq and Epiq Legal Noticing. She is responsible for managing the implementation of legal notice ad campaigns for class action, bankruptcy, and securities cases.

Professional Experience

With more than two decades of experience providing legal notice solutions for class action and bankruptcy matters, Tammy has managed a portfolio of complex media campaigns. She has implemented complex and high-profile legal notice advertising campaigns for mega-sized class action settlements. Her responsibilities include researching target audiences, designing notice plans, formatting advertising copy, negotiating media rates, and placing.

Tammy has handled massive international class action and securities notice programs with publications in local newspapers in more than 60 countries, notice translations in more than 35 languages, internet notice, third-party outreach to trade organizations, and dissemination of global press releases.

Education

Tammy holds a Bachelor of Science in management and marketing from the University of Oregon.
