

Manage in-house legal workflow with experienced professionals.

Engage experienced legal professionals, including lawyers, paralegals, contract negotiators, and legal operations experts, on an interim basis to:

- Manage workflow spikes or fill in gaps in your department due to attrition, leaves, or a hiring freeze.
- Increase the capacity of your team on a flexible basis without adding permanent headcount.
- Gain specialized expertise to support projects such as a new product launch or policy drafting required by a regulatory change.
- Enable your legal department to keep pace with the speed of the business.
