1 Week

From Intake Meeting to Talent Identified

72 Hours

To Receive a 'Right Fit' Resume

Control Costs

- Employ a cost-effective approach with flexible talent.
- Significantly reduce hiring and operational costs with competitive rates.
- Manage project costs by avoiding the overhead associated with full-time hires.
- Support project demands for set durations.

Get Help Quickly

- Fill needs quickly as you get a “right fit” resume within, on average, 72 hours.
- Work with placement professionals who excel at identifying skillsets and cultural requirements.

Place Talent Where You Need It

- Meet location requirements with onsite, remote, and hybrid workers.
- Reinforce operations in North America, Europe, and Asia Pacific or leverage offshore capabilities in India.
- Fill talent gaps due to attrition, leaves, or hiring freezes.

Facilitate Quality Work

- Address changing business needs with specialized practice area or industry experience.
- Ensure long-term placements by obtaining individuals supported by a Consultant Care program that includes regular check-ins and benefits.
- Engage highly skilled professionals who have access to Epiq resources and experts when needed.

Epiq Differentiators

- Onboard, utilize, and support talent using best practices.
- Meet your objectives with flexible information governance professionals and aligned Epiq solutions.
- Access ongoing support from the organization providing your legal and compliance technology implementation.
- Get highly skilled team members who engage regularly with Epiq experts to identify and, if needed, help resolve technical challenges. We only place individuals in roles where we offer advisory services.

Strategic staffing solutions empower global technology leader to advance information governance initiatives.
